Harvest Share Agreement

In signing up for the 2008 Harvest Shares, I understand that the weekly value of the shares varies throughout the season starting out lower in the spring and peaking in the late summer.

Harvest Share.....\$810 _____
(3 payments of \$270 each)

Egg Share..... \$150 _____
(3 payments of \$50)

Total Due..... \$ _____

Payment Options (check one)

- 1 Payment – Total Due with sign-up
OR
 3 Payments – Enclose 3 separate checks dated with today's date, July 1, and Sept. 15. Each check should equal 1/3 of the Total Due

Make checks payable to Huasna Valley Farm and be sure to write down the address of your drop-site. Your hosts will call or email you two weeks prior to the start of the season with directions to the drop-site-if needed. Thank you for subscribing to Huasna Valley Farm's 2008 Season!

Love Your Veggies Guarantee 

Harvest Share members subscribe for the entire growing season. Learning to cook with the Harvest Share requires some time and flexibility. If, after the spring trimester (Jun 28) you haven't come to love your veggies, we will cancel your membership and refund the remaining balance.

Drop-site Hosts, please deduct \$270 from Total Due and send payment now. Omit third payment, if paying in installments. Thank you!
